You will probably turn through the pages of your yearbook several times before your eyes come to rest on this page; and you have, no doubt, chuckled at the clever artwork drawn by our talented artist, Mary Margaret Dagley.

From the beginning of the fall term in September, many interesting events have taken place in your school life. Come review them with us as we take you "Round the Clock at J.J.C."

Since time plays an important part in your life as a student, we have carried out this theme in each of the division page drawings depicting a clock.

That sleep-disturbing alarm in the early morning, those demanding bells signaling class periods . . . and lunch, the scoreboard clock ticking off the last thrilling seconds of an exciting game make a day complete for the busy college student.

We have tried to capture each happy memory for you in this book so that in the years to come you may fondly reminisce your carefree college days as you once again leaf through the pages of this, your

# Circle K Club's House ~~&~~ Chance

The Senate, the governing body of Joplin Junior College, is composed of student senators elected from the classes by proportional representation. The officers of the Senate are elected by the student body at large.

Among its other activities, immediately after the group was elected they set to work planning the Homecoming festivities. Under the leadership of its president, Dave Garrison, the Lion's Den was opened for the enjoyment of the students during their leisure hours.

Helping Dave in his position as president are Buddy Paul, vice president; Lynne Francis, secretary; Susan Askins, treasurer; and Suzanne Bogner, parliamentarian.

*Second row:* Dave Garrison, Ronald Coffey, Linda Miles, Marion Ellis, Carol Klimpt.

## *Summer Cabinet*

The summer cabinet, composed of a group of students representing each college organization, functions as a service committee from the end of the spring term until the Senate is organized in the fall. The students worked hard planning and decorating for the all-school mixer the first night of school. They also had charge of organizing the orientation assembly and conducting the Senate elections.

Anna Jean Cummins served as chairman of the cabinet. Committee chairmen were Ronnie Coffey, chairman of the mixer; Carol Campbell had charge of the orientation assembly; and Marion Ellis was election chairman.

Myrl Gunn, Joplin Juco's 6'1", 205 pound fullback for the last two years, will be remembered by the students of J.J.C. for many years to come.

This year he was the first football player in the history of the college to receive the National Junior College Athletic Association (NJCAA) All-American Award. He was selected as fullback on the first team, which is made up of eleven players chosen from the nation as a whole. Myrl was the only player from the state of Missouri to receive this award.

In addition, Myrl was a unanimous selection for the All-Conference team both years at J.J.C. Buster Brown, a student at Juco, was also chosen as a member of the All-Conference first team.

MYRL GUNN

BILL KELLEY

Bill Kelley is another star in the Joplin Junior College football field. He was one of the forty-four players selected by the National Junior College Athletic Association to play in the second annual All-American East-West Bowl game, December 7 at Jackson, Mississippi.

Bill, who is a very good pass receiver and down-field blocker, played an important role for the West team during the game in Mississippi.

The 180-pound six footer was elected by the other members of his team at the college as captain of the 1957 Lions.

#### THE LIONS ROAR!

All-American M y r l storms down the field for another touchdown.

#### THE LIONS PRACTICE!

The team perfects their play for another big victory.

#### THE LIONS WAIT!

Coach Stegge and his squad survey a tense moment on the field.

Stands full of fans is a feature of football games, as they turn out in full force to cheer the Lions on to victory.

Hungry spectators swamp the concession stand at halftime.

## *1957-58 Basketball Team*

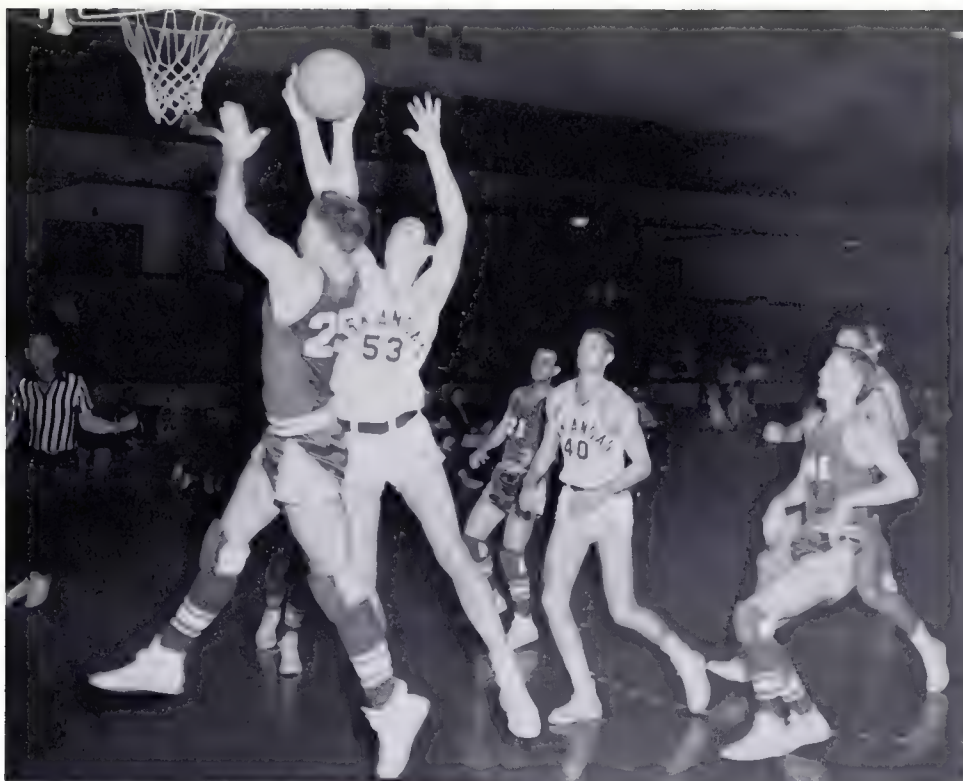

The Lions wound up their 1958 basketball season with a record of six wins and four losses for conference play to take third place in the I.J.C.C. Even though all the boys played outstanding ball, Bob Keeling and Leo DeSpain were singled out by the coaches of the junior college conference teams as members of the All-Interstate Conference Basketball Team.

Keeling, 6'5" center, who established an individual scoring record for a conference player with 43 points against Kansas City on February 14, amassed a total of 419 points this season with an average of 22.6 per game for conference play. Bob was elected by his teammates as captain of the 1958 Lions.

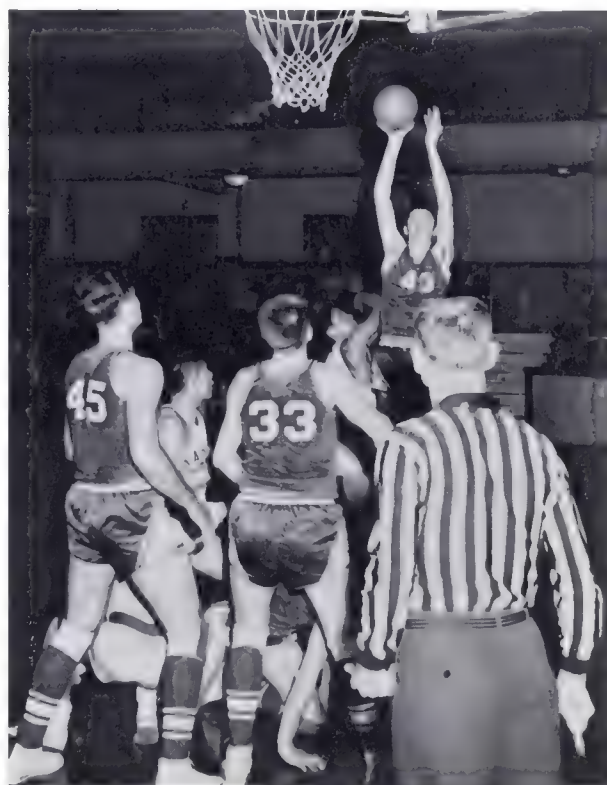

Leo DeSpain 6'2" forward who started in all the Lions' games this season, had an overall season total of 291 points for an average of 12.1 points per game. Leo took the award for the most valuable player of the year.

The team owes its expert basketball instruction to its coaches, Buddy Ball and Dudley Stegge.

Ronnie Ellis scrambles to keep the ball away from an opposing Arkansas freshman as Leo and Lew await the outcome.

Bob Keeling, jump-shot artist for the Lions, tips in two more points in the clash with Haskell Institute.

## *Cheerleaders*

*Front row: Lewann Steenrod, Suzanne Bogner, and Judy Mullins.*

*Back row: Marilyn Harrison, Donna Finley, Carolyn Updegraff, and Barbara Jones.*

J.J.C.'s peppy cheerleaders have provided colorful entertainment at the football and basketball games during the past season.

The Homecoming pep rally was highlighted by a 'blazing bonfire around which everyone gathered for the victory snake dance. The rally was followed by a horn-honking motorcade down Main Street.

The last two years have been banner years for The College Players. They have been years crowded with achievement and marked by an increasing awareness and appreciation by the theater-going public. Milton Brietzke and his crew of thespians have worked hard and long to produce plays of highest quality for the college and the district. One of the plays from last season that will be remembered is "The Physician in Spite of Himself" by Moliere.
